

JAIN DHARMA PRAVESH

Dear Friends,

You may be having many friends in your social circle who may be Deravaasi Jains or Hindus or Christians or Muslims.

Your Deravaasi jain friend must be going to Deraasar regularly.

Your Hindu friend must be going to his Mandir regularly.

Your Christian friend must be going to the Church regularly.

Your Muslim friend must be going to his Masjid regularly.

Where do you go regularly???

I am sure you must be aware that:

The Hindus have The Bhagwad Gita.

The Christians have The Holy Bible.

The Muslims have The Kuran.

But do you know which is our religious book???

We, Sthanakwasi jains have **32 Aagams** as our religious books. Have you ever seen them??

If your friends visit their religious place of worship and perform their religious rites daily or regularly, why can you also not do something similar??

As a Stanakwasi Jain you can atleast do the following four rites on a daily basis and make a beginning in Jainism!!

So kindly enroll yourself into JDP and join us to make this movement a great success and also take our Sthanakwasi Jain religion to much greater heights and horizons ourselves.

We look forward to your association and co-operation. Your own **JDP**
